# PRICE MOVEMENT

Wheat and Corn Decline

GENERAL MARKET REPORT. New York, September 11, 1914.

WHEAT—The selling movement of Thursday afternoon continued during early operations yesterday, and prices show-priosees of 14 970 a bushel, which represented total declines of 116 120 from the high point of the season, rade a week ago. The trade seemed to consider this decline sufficient to justify a raily, and prices worked up 24 92 from the bottom, with active covering, but eased off stand, and find operations were net unk of England yesterday of the find of the spot and constitution of the discouraged.

Semi-brokerage transactions should be discouraged.

Semi-brokerage transactions should be discouraged.

CHICAGO GRAINS LOWER

Slight Declines in Wheat and Corn—Oats Up—Provisions the new act which provisions training bulles for payment France, it was announced. Transactions and the new act which provisions are the new capital run were a shade case. The trade series to be fixed in London as the new act which provisions treated the fixed in London as the new act which provisions training bulles for payment France, it was announced. Chicago, Sept. 11.—Wheat prices to day failed to maintain a rally which started after the market had fallen to rahe the foundation of the control of t per out. Supplies were said to have become so abundant at the British port that storage room was about exhausted. It was also asserted that French demand was at an end for the present. Range of prices:
